© Selected Glads, Inc., 1956

MAYTIME — CARIBBEAN

EVERY ALL-AMERICA GLAD IS TESTED AT 30 TRIAL GARDENS

Some glads grow well in one locality and not so well in others. The ALL-AMERICA selections are thoroughly tested throughout all sections by blooming them in the 30 trial gardens located from coast to coast and from Canada to Texas.

AAGS was formed as a non-profit organization of glad lovers — commercial and amateur alike — to thoroughly test new varieties and pick out those which seem to grow superlatively well in ALL parts of the United States and Canada. The All-America Selections are each patented to insure control of bulb quality, and are sold by all reputable dealers at uniform prices — lowest ever for new introductions.
